

**You save 900%**  
Coffee Cherry extract is  
comparable to one of  
**Neuriva's active  
ingredients,  
Neurofactor.**

At the manufacturer's  
website 30 Neuriva is  
\$32.99. (Schiff.com)

This Ebay coffee cherry  
extract item is \$9.99 for  
110 doses. (11 grams, at  
100 mg/dose). **You save  
900%**

I take Coffee Berry  
extract powder to  
complement/supplem  
ent the Neuriva(tm)  
gummies I take daily.

That way I am  
assured of the  
“official product”, but  
**for 9 cents more  
everyday the  
amount of Coffee**

**Extract I take a day  
doubles.**

supplement actual  
Neuriva with more  
coffee cherry extract
